Regional Transportation Planning Agencies
County Transportation Commissions
Department of Transportation
Interested Parties

It is my pleasure to announce the appointment of Ms. Joan Borucki to the position of Chief Deputy Director. Her appointment is effective immediately.

Joan brings a wealth of transportation policy expertise to this assignment. She was a key participant in the development of California's position for the 1991 Intermodal Surface Transportation Efficiency Act as well as in the development of implementing state legislation that made sweeping changes in transportation programming and funding in California. Joan is an expert in transportation financing having served as the Chief Budget Officer for Caltrans during the most recent reauthorization act and the development and implementation of SB 45. Most recently, Joan has served as Acting Deputy Director for Planning in Caltrans District 4, working with MTC and congestion management agencies to recast the regional transportation improvement program to conform to programming constraints identified in the 2002 Fund Estimate.

I look forward to Joan working closely with our transportation partners to address the many transportation challenges facing the state. Please join me in welcoming Joan to her new position as Chief Deputy of the California Transportation Commission.

Sincerely,

A handwritten signature in cursive script that reads 'Diane C. Eidam'.

DIANE C. EIDAM
Executive Director
